Pittsburgh: Duquesne University Thomas R. Kline School of Law, 2023
All libraries today publish research guides to assist their users in accessing materials in their libraries. With the nine law schools—Duquesne University, Drexel University, Penn State University, Penn State University-Dickinson Campus, Temple University, University of Pennsylvania, University of Pittsburgh, Villanova, and Widener University—and Allegheny County Law Library (Pittsburgh) and Jenkins Law Library (Philadelphia), the libraries have published over 500 research guides. Most deal with specific research topics, but some do apply to general topics within their law schools.

The following lists are divided by institution and then by subject.

The lead author would like to thank each of the student authors who are interns at the University of Pittsburgh.
